

Lino Cultura

Let me introduce myself

I'm Lino, a digital creative from Belgium. Freelancer since 2013, die-hard Muse fan since 2009. Passionate about all that is web and design. I have been studying IMD - Interactive Multimedia Design - @ThomasMore for the past few years.

I have skills!

I do front-end, back-end and everything in between. Apart from that I love to design, illustrate, create projects from start to finish. Here's to give you an idea of my core skillset ->

Web design
HTML / CSS
Javascript
Branding
AI / PH

PHP / Laravel
SQL
Ajax
jQuery
UX

NodeJS
Drupal
Wordpress

I have experience!

I've been freelancing since 2013, creating websites, logos, branding,.. album covers.

Previous student jobs include cashier, order picker & stockkeeper.

But that's not all!

I SPEAK

Dutch - native speaker
English - top notch
French - a good basis

I SPEND MY FREE TIME

Making music - playing guitar, producing & live mixing are my passion.
Going to concerts - and going to festivals! Sometimes it's even me playing.
Creating stunning CV's - or at least I hope to have impressed you ;)
